Gentlemen:

The Revenue and Taxation Interim Committee requests permission to travel to hold two public hearings on property tax issues. These two public hearings are included in the five additional meetings you approved earlier this year.

We plan to hold one public hearing in the southern region of the state and another in the northern region of the state. The hearings would be scheduled sometime during September and October.

In addition to regular travel and per diem costs associated with both public hearings, we anticipate one night's lodging would also be required in association with the public hearing held in the southern region of the state.

Thank you for your consideration in this matter. We look forward to your favorable response to our request.

Sincerely,

Senator Wayne L. Niederhauser
Senate Chair

Representative John Dougall
House Chair
